

*Making the very complex...**awesomely simple***

John Spence Introduction

I am pleased to introduce John Spence, who has made significant contributions to the field of business leadership and management.

At the age of 26, John was named CEO of an international Rockefeller Foundation, overseeing projects in 20 countries. His work has earned him a place among the world's Top 100 Business Thought Leaders, and the American Management Association named him one of America's Top 50 Leaders to Watch, alongside notable figures like Sergey Brin and Larry Page from Google and Jeff Bezos from Amazon.

John is a committed learner, reading over 100 business books each year. He has shared his knowledge at more than 90 universities, including MIT, Stanford, Cornell, and the Wharton School of Business.

His experience includes being CEO of four companies, and he currently serves as a trusted advisor to numerous organizations worldwide, from startups to the Fortune 10.

Please join me in welcoming John Spence.
